BC FERRIES OFFERS SUMMER SAVINGS Sunrise and Sunset Savings, Extra Length Private Passenger Vehicle Discounts Start Friday

VICTORIA – BC Ferries recently announced two promotions that offer customers a chance to save on their travel this summer.

The Sunrise and Sunset Savings promotion provides savings on more than 2,100 early morning and late evening sailings between June 1 and Sept. 30. Select sailings will be discounted to either \$49 or \$59 for a one-way standard passenger vehicle and driver on the Tsawwassen – Swartz Bay, Tsawwassen – Duke Point and Horseshoe Bay – Departure Bay routes. Select return trips are also available for \$49 on the Horseshoe Bay – Langdale route.

The Extra Length Private Passenger Vehicle promotion offers a chance to save when travelling with an extra length recreational vehicle between June 1 and Sept. 30. Customers with vehicles longer than 20 feet (6.1 metres) will pay only \$3.25 per additional foot (regularly \$6.50) on select sailings between Metro Vancouver and Vancouver Island. Over 1,100 sailings are discounted on the Tsawwassen – Swartz Bay and Tsawwassen – Duke Point routes.

“These promotions not only provide flexibility for our customers to save on their summer travel, but also help reduce congestion by spreading vehicle traffic to less popular sailings throughout the summer season,” said Janet Carson, BC Ferries’ Vice President of Marketing & Customer Experience. “We have been running these promotions on select routes and sailings based on where we see the ability to shift traffic throughout our system. We look forward to welcoming our customers on board this summer.”

Space on these promotional sailings is available on a first-come, first-served basis. Reservations are available to ensure a spot on the sailing of your choice for just \$10 if booked seven days or more in advance. Details of the promotions and all the sailings that are included can be found at bcferries.com.
